A Mid-Terrace house being sold with the Tenant in occupation (anyone interested can keep the tenant and draw up a new tenancy agreement under their own terms) the house had been rented for many years and is in a prime location for both schools and as it's just along the road from the shops at Halfway makes it super convenient. Rental prices are at an all time high, this property has been priced accordingly based on the fact there's a tenant there, ordinarily a place like this in Minster would be nearer the £250,000 mark.
