TO BE SOLD BY PUBLIC AUCTION (at a date to be confirmed)
UNLESS SOLD PREVIOUSLY.

GUIDE PRICE: £550,000-£600,000.

We invite IMMEDIATE CASH OFFERS (on strict Auction terms) for this substantial and well-situated DETACHED HMO INVESTMENT PROPERTY arranged as TWO 4 EN-SUITE BEDROOM APARTMENTS, currently LET and producing £52,320 p.a. gross, equivalent to a yield (at mid-guide) of around 9.1%. Victoria Road North runs between Elm Grove and Fratton Bridge, No. 106 occupying a prominent position on the east side diagonally opposite the junction with Montgomerie Road. This exceptionally convenient location is some one mile only from Southsea Town Centre and The Seafront, placing a wide range of public amenities within comfortable reach. Circa 1900, the property is of double-fronted design with brick elevations and square bay windows under a modern, pitched and tiled roof. It stands behind a shallow forecourt, whilst to the rear is a generous garden with side access.

PLANNING, ETC: Consent was granted in 1995 for conversion of the building (former offices) into two self-contained flats. In November 2011 consent was granted for change of use of both units to C3/C4 (HMO). Each is now LET to four student occupants at £2,180 p.c.m. (£52,320 p.a combined) until 30th June 2026. It may be of interest to note that the adjacent property, No. 104, of similar footprint, was granted approval for conversion into 5 one bedroom units last year.
