‘The Bridge House is the epitome of the Cotswolds, located on Castle Combes most iconic street’

### The Property

The Bridge House is located on one of Castle Combe's most iconic streets. Dating back to the 1600s and Grade II Listed, the quintessential front elevation is most deceptive as the property is predominantly arranged at the rear offering stunning accommodation coupled with a glorious garden. The spacious accommodation spans to over 2700 sq.ft and is particularly generous on the ground floor. Showcasing a plethora of charm and character throughout, the property has been sympathetically updated with modern upgrades including underfloor heating in the majority of the ground floor.

At the heart of the ground floor there is a highly desirable kitchen open plan to a dining room with views over the garden. The kitchen boasts an impressive high vaulted ceiling plus an oil-fired Aga, island unit and stone floors. Adjoining the kitchen there is a characterful

living room with stone fireplace and wood-burning stove inset, whilst steps lead up to a wonderful mezzanine floor above. There are two further reception rooms also with fireplaces. A cosy snug leads to the front drawing room which features a magnificent inglenook fireplace and charming window seats. An oak staircase leads up to the first floor which comprises three bedrooms, a family bathroom with separate shower and roll-top bath, plus an en-suite shower room to the principal bedroom.

Sitting within a c.0.41 acre plot, the enviable gardens are a delightful private haven to enjoy overlooking a picturesque wooded valley. The garden is arranged into three principal areas comprising a large secluded seating terrace off the kitchen, a good-sized central lawn and a further top lawn with wild flowers. Within the grounds there are a range of outbuildings including a timber studio which has power, lighting, an electric burner and a colonial style

covered porch terrace. Additionally, there is a further outbuilding comprising a workshop, carport and greenhouse. The Bridge House has the superb benefit of ample private parking which is entered via residents only access off Water Lane. A driveway sweeps around to a gravelled parking bay beside the carport.

A short walk from the property there is the Manor House Hotel with its Michelin star Bybrook restaurant and the golf club which has a Peter Alliss designed 18 hole course, regarded as one of the top 100 in the UK. At the heart of the village is the 14th

Century Market Cross, a small hotel and a public house. The nearby racetrack is also a popular attraction. There is an excellent road link to the M4 (Junction 18 7.5miles) and Bristol and Bath. Fast trains from Chippenham can reach Paddington, London in 75 minutes.
