Property Description

Entering the property through a traditional stable door into a welcoming hallway with utility space. Tiled flooring flows from the utility hallway into a well appointed galley kitchen. Fitted with a traditional range of shaker-style wall and base units, work surfaces with tiled splashbacks and deep windowsill reveals. Integrated appliances include a Neff electric oven, microwave, and a four-ring gas hob with extractor hood, along with a slimline under-counter dishwasher. A large porcelain sink with drainer and mixer tap adds practicality and charm, while a useful utility cupboard offers space and plumbing for an automatic washing machine alongside a wall-mounted Electrolux Centravac central cleaning system.

A ground floor shower room is smartly finished with step-in shower cubicle, low flush w.c. and vanity wash basin, complemented with part-tiled walls and tiled flooring providing convenience and comfort. To the rear of the property, a versatile snug sitting room enjoys French-style patio doors opening onto the garden—ideal as a tranquil reading space or optional ground-floor bedroom if required.

Stepping through from the kitchen, a traditional dining room boasts a large double-glazed window overlooking the rear garden. An internal step leads down into the main living room, a bright and airy space with high ceilings, exposed beams, and a striking feature fireplace with stone surround, timber mantle and living flame gas fire. A large window with built-in window seat enjoys an elevated aspect.

A further rear extension provides a practical porch area with cloak storage and access into a generously sized home office. Fitted with bespoke desk cabinetry and shelving, this flexible space—with French-style doors opening onto the rear garden—could easily serve as a further sitting room, studio, or occasional guest bedroom.

To the first floor, the landing has loft access and leads to three bedrooms. Bedroom one is a particularly light and spacious double room with dual aspect windows, deep built-in wardrobes, and delightful elevated views over Bramham and towards All Saints church. Bedroom two is another well-proportioned double room, while bedroom three, currently used as a dressing room, is fitted with full-height wardrobes along one wall.

The house bathroom is fitted with a large step-in shower cubicle, low flush w.c., and vanity wash basin with storage beneath. A large airing cupboard houses the insulated water tank, linen storage and shelving. A heated towel rail and tasteful tiled flooring complete the space.

Externally, the property enjoys driveway parking to the side and access to a generous double garage with manual up-and-over door, light and power laid on.

The landscaped rear garden is a particular highlight, thoughtfully designed with gravel pathways, stone-flagged seating areas, and shaped well-stocked flowerbeds abundant with roses, shrubs, and small trees. A pergola provides a charming focal point and shaded seating area—an ideal setting for outdoor entertaining, barbecues, and al fresco dining, all while enjoying a sunny westerly aspect and elevated views.
