

69 Compton Avenue, Mannamead , Plymouth, Devon, PL3 5DB

Price £500,000

Lang Town and Country are delighted to present this exceptional detached family home, located in one of Mannamead's most sought-after residential areas.

This impressive property offers spacious and versatile accommodation, beginning with a generous entrance hallway that leads to two well-proportioned reception rooms and a cloakroom/WC. At the front, a bright and airy dining room features a large bay window, welcoming an abundance of natural light. To the rear, the substantial lounge boasts an elegant feature fireplace and floor-to-ceiling windows and a door, offering delightful views over the beautifully maintained rear gardens.

The kitchen is fitted with a comprehensive range of matching wall and base units, providing ample storage and worktop space. Adjacent to the kitchen is a useful utility area, complete with a downstairs WC and direct access to the garage. The garage, fitted with an electric roller shutter door, also functions well as a workshop. Additional ground floor storage includes an under-stairs cupboard and a cloakroom cupboard. A separate WC completes the ground floor accommodation.

Upstairs, the home continues to impress with a spacious landing that benefits from natural light via well-placed windows. There are two generous double bedrooms; the principal bedroom is located at the rear and includes built-in wardrobes along with a discreetly integrated shower and wash basin. The second double bedroom is positioned at the front and features a charming bay window with far-reaching views toward Plymouth Sound. A third bedroom, a spacious single enjoys views across the lovely back garden. The modern family bathroom, which includes a stylish P-shaped bath with overhead shower, a wash hand basin and a separate WC completes the first-floor layout.

Outside, the property truly excels. The rear garden is mature and well-maintained, with lawns, patio spaces, and a decked area to the side perfect for outdoor dining and relaxation and described by the current owners as a real sun trap. The garden also provides access to a number of versatile outbuildings. These include a dedicated music studio, a large, detached conservatory ideal for unwinding in the evenings, and two additional rooms at the bottom of the garden. One serves as a home office featuring bi-fold doors that open up to create a tranquil, countryside-inspired workspace while the other is a cosy snug, styled with a log cabin ambiance.

To the front of the property, a private driveway offers convenient off-road parking and leads to the integral garage.

This fantastic home offers a rare blend of generous internal space, flexible outdoor living, and a superb location perfect for modern family life.
