The Property

Internally, this property offers an impressive 1700 square feet of modern, high-specification and immaculate living space laid across three floors, arranged around a central entrance hall and staircase. On the ground floor, you can find a WC, two bay-fronted reception rooms, and an open-plan living kitchen at the rear that directly opens onto the rear gardens. The kitchen is equipped with a range of built-in appliances and light quartz work surfaces. On the first floor, you will find no less than four double bedrooms and a four-piece family bathroom. The two largest bedrooms also boast Jack & Jill en-suite facilities. On the second floor is the fabulous main bedroom suite, with an impressive bedroom featuring views to the front, contemporary built-in wardrobes and dressing area, storage, and en-suite facilities.

The front of the property features low-maintenance gardens and a private driveway with an electric car charging point on the right-hand side. To the rear is an oversized detached garage with power, light, and an up-and-over door. The back half of the garage has been cleverly fitted out as a private gym. The rear gardens are fully landscaped and finished to a high specification.
