Freehold House Split into Two Flats with Development Potential – Chapter Road NW2

Offered at £640,000, this freehold house on Chapter Road is currently arranged as two separate one-bedroom flats, both offering significant scope to add value.

The ground floor flat has room to extend to the side and rear, while the first floor flat offers potential for a loft conversion (subject to permissions). Each unit could be easily reconfigured to create two-bedroom accommodation, making this an ideal project for developers, investors or owner-occupiers looking to personalise their space.

Both flats require refurbishment, providing a blank canvas to modernise and improve. Situated on a popular residential street with excellent local amenities and transport links, this is a rare opportunity with multiple possibilities.
