White Rock, Maidenhead River Area, SL6 8UD

A rarely available four bedroomed detached family home close to the River Thames, set in a private gated road with spectacular views over Summerleaze Lake. The very well maintained property has been extended by the current owner and the garage has been converted into a useful study/5th bedroom.

The house is accessed via the front door leading to the spacious reception area which gives access to all ground floor rooms, including one front aspect study that could also be used as a second reception room or 5th bedroom, a front aspect utility room and downstairs WC. The kitchen is fitted with a range of modern base and eye level cabinets, a built in electric hob, double oven, Granite worktops and breakfast bar.

One of the main features of this property is no doubt the 28ft x 21ft rear aspect lounge/dining room that provides an ample amount of living and entertaining space. Sliding doors give access to the rear garden and also provide stunning views of the rear garden and Summerleaze Lake.

An attractive return staircase leads to the spacious landing with doors to all well proportioned bedrooms. The principle bedroom is located to the rear of the property which benefits from an En Suite bathroom with fitted 3 piece suite and French doors lead onto the balcony providing more exceptional views. There are 3 further good size bedrooms, 2 of which are double bedrooms with fitted wardrobes and the family bathroom.

Externally the sunny, south west facing level rear garden is laid to lawn and the full width patio is a great space from where to enjoy al fresco dining and a rear gate gives access to steps leading down to a waterside decked area where you truly feel the benefits this fabulous property has on offer.

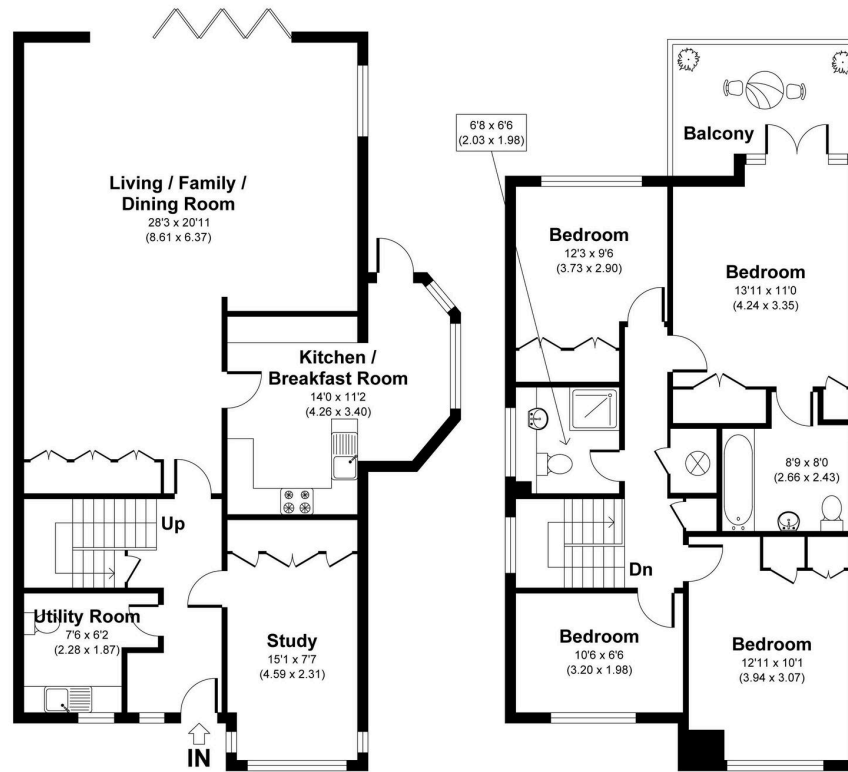

White Rock is a private gated road with only 6 houses located off Ray Mill East Road within the highly sought after river area of Maidenhead which offers well reviewed restaurants and scenic riverside walks on the Thames Path. This detached residence also benefits from being walking distance from Maidenhead town centre and around 1.5miles from Maidenhead railway station.
