The Setting

Nestled in a peaceful residential pocket of Saffron Walden, Jennings Road offers a perfect blend of suburban quietude and easy access to the town's historic charm. The street is primarily characterized by well-maintained family homes and is just a short, 10-to-15-minute walk from the vibrant Market Square, where residents can enjoy local gems like the Fry Art Gallery, independent boutiques, and a variety of cafes and Waitrose. Families benefit from the close proximity to top-tier schooling, including the renowned Saffron Walden County High School, located less than a mile away. For commuters, the area is exceptionally well-connected; Audley End Station is approximately a 2-mile drive (roughly 5-7 minutes), providing direct rail links to London Liverpool Street in under an hour and Cambridge in just 20 minutes.

The Accommodation

The ground floor opens with a practical entrance hall leading to a modern downstairs WC. The two tone kitchen is a standout feature, complemented by bright white worktops and a decorative tiled backsplash. It comes well-equipped with integrated appliances, including an oven and induction hob, and features a breakfast bar that creates a natural transition into the living space. This leads into the expansive lounge and dining room, flooded with natural light from two large overhead skylights and broad sliding glass doors.

The first-floor landing, featuring sage green walls and plush carpeting, provides access to the home's two comfortable double bedrooms and a stylish family bathroom. Bedroom one is a bright, airy space with large windows overlooking the garden, while bedroom two offers a sophisticated feel with elegant wood paneling and views to the front. The bathroom is beautifully appointed with neutral floor-to-ceiling tiling, a full-sized bath with a glass shower screen, and a modern wash basin.
