Location

4 Segrave Place is located on the outskirts of Framlingham, just a short walk from the amenities of the town. Framlingham is home to a good selection of independent shops and businesses including cafés, restaurants, hairdressers, antique shops, a travel agency and delicatessen. It is also home to the Crown Hotel, a post office and a Co-operative supermarket. Away from Market Hill are a number of other businesses providing day-to-day services including pubs, vets, a medical centre and schools, as well as Sir Robert Hitcham's Primary School and Thomas Mills High School. There is also Framlingham College, which is served by its preparatory school, Brandeston Hall, some 5 miles away. Framlingham is perhaps best known for its magnificent castle which is managed by English Heritage.

Framlingham is surrounded by delightful villages, many of which have popular public houses. There are lovely walks from the town into the surrounding countryside, and leisure facilities such as golf in the nearby locations of Creetington (6 miles), Woodbridge (12 miles) and Aldeburgh (13 miles). The world famous Snape Maltings Concert Hall is within easy reach (10½ miles). There is also bird watching at the RSPB centre at Minsmere (15 miles). Framlingham is only 12 miles from the coast as the crow flies with the popular destinations of Southwold, Dunwich, Thorpeness and Orford. The county town of Ipswich lies approximately 18 miles to the south-west and from here there are regular services to London's Liverpool Street station, scheduled to take just over the hour.

Description

4 Segrave Place is an exceptionally well presented two bedroom detached bungalow, built in 2016, which is of brick and block construction with Hardyplank cladded elevations under a pitch tiled roof. The property is being sold with the remainder of a ten year structural warranty. The property benefits from UPVC double glazing throughout, gas fired central heating and a water softener. The front door leads into a light, spacious entrance hallway with ceramic tiled floors that run through to the open-plan living area and cloakroom. Within the entrance hall there is a large coat cupboard with hanging, rail, shelving and storage under. A door leads off the hallway to the open plan living/kitchen/dining room which is a dual aspect room with windows to front and rear and bi-fold doors that open out onto a paved terrace which flows into the garden. The kitchen area is well appointed and has a matching range of fitted wall and base units with one and a half bowl stainless steel sink unit with drainer, inset into granite worktops with mixer tap above and granite splashbacks. There are a range of integrated appliances including a fridge/freezer, slimline dishwasher and washer-dryer. In addition is a four ring induction hob with granite splashback and extractor hood over and high level Neff hide and slide oven. A further door from the entrance hall leads to the cloakroom which has an obscured window to the front, ceramic tiled flooring, wall hung basin with storage under and mirror above with tiled splashbacks, close couple WC and radiator. Doors lead off to the principal bedroom which is a good sized double bedroom with windows to rear and built-in storage cupboard. A door from this bedroom leads into an en-suite where there is a shower with obscured windows to side, hidden cistern WC, walk in shower cubicle with glass screen with mains fed shower over, wall hung basin with storage under, mixer tap over and back lit mirror above. There is also a chrome heated towel radiator and ceramic tiled floor. Bedroom two is a good size single bedroom with a large mirror fronted double wardrobe with hanging rail and shelving which the vendors intend to leave at the property. Here, there is access to a partially boarded loft with a light but no ladder.

Outside

The property is approached from the private shared driveway of Segrave Place which leads to the frontage of number 4 where there are two allocated parking spaces. There is a pathway that leads around the property where there is gated access to the side and the rear garden. The rear garden is mainly laid to lawn and is not overlooked and there is a paved terrace immediately behind the property with established shrub and flower borders enclosed by close board fencing and post and rail. There are outside lights, a garden tap and twin external power sockets. To the side of the property is a further paved sitting area with a timber shed.
