The nearby villages of Thorndon and Occold, both within a mile both benefit from primary schools and pubs, The Black Horse and The Beaconsfield Arms respectively. The market town of Eye is approximately 3 miles, and provides a range of independent local shops, as well as two Co-op supermarkets. There are various eateries, including The Queen's Head public house, two Chinese takeaways, a pizza takeaway and a fish and chip shop. The town boasts a Motte and Bailey castle, a library, art studio, delicatessen, medical centre and schools. Both St Peter & Paul's CEVAP Primary School and Hartismere High School are very well regarded. There are further facilities in Debenham, which is about 5 miles away, and Diss, which is 9 miles. Diss has direct rail services to both Norwich (17 minutes) and London's Liverpool Street station (1 hour 20 minutes). It also offers Tesco, Aldi and Morrisons supermarkets, as well as further schooling, restaurants, shops and services. The A140 lies to the west and links to the county's dual carriageway network, as well as Norwich and the Ipswich.

Description

Garden House is a charming, extended, four bedroom detached red brick cottage set in a rural location occupying a plot of approximately one third of an acre and with the benefit of a studio with kitchenette and cloakroom. Garden House has predominantly red brick elevations under a pantile roof. It has been exceptionally well maintained and has well laid out accommodation which has been cleverly remodelled and enhanced by the current owner during their tenure.

The property comprises an entrance porch, kitchen with garden room off, sitting room, snug, office/bedroom four, a further bedroom with en-suite shower room and a bathroom on the ground floor. On the first floor there is a principal bedroom with an en-suite cloakroom, a further double bedroom, a dressing room and a shower room.

The house is approached via the entrance porch, which opens into the kitchen. The kitchen has a small window to the front, recessed lighting and is fitted with a range of painted base units with a butler sink inset into a wooden worktop. There is a four ring induction hob with electric oven under and extractor hood over. There is a separate warming drawer, space and plumbing for dishwasher and a walk-in pantry with shelving, space and plumbing for a washing machine and space for a microwave. The kitchen and garden room both benefit from polished concrete floors. An opening from the kitchen provides access to the garden room which has a vaulted ceiling, underfloor heating and windows which take in the views of the garden to the side and the rear. There are French style doors that open out onto a paved terrace.

From the kitchen a door provides access to the sitting room which has exposed wall and ceiling timbers, recessed red brick fireplace with bressummer beam over and housing a woodburning stove. There are wall mounted lights and radiators. The sitting room opens into a rear lobby with skylight and with doors off to the office, which was formerly bedroom four. This is fitted with a range of book shelves and a desk, a vertical radiator and has French style doors leading out to a terrace to the side of the property. From the rear lobby a further door provides access to the ground floor guest bedroom, a further double bedroom with windows to the side, vertical radiator and door to an en-suite shower room. This comprises built-in shower cubicle with tiled surround and mains fed deluge shower with handheld attachment, close coupled WC and handwash basin with mixer tap over and cupboard under. There is an opaque window to the rear. From the sitting room a further door leads to the bathroom which has tiled floor and a range of built-in cupboards. There is a free standing roll top bath with mixer tap over and shower attachment, close coupled WC, pedestal handwash basin with part-tiled surround, wall mounted radiator and obscured glazed window. An opening from the sitting room leads to the snug. This is a cosy room with exposed red brick fireplace housing the woodburning stove, exposed ceiling and wall timbers and with windows to the front and rear. There are wall mounted lights, a column radiator and a large built-in cupboard.

Stairs from the snug rise to the spacious first floor landing which is split into two areas, but benefits from windows to the front, partially vaulted ceiling and column radiator. Bedroom one is a wonderful, dual aspect bedroom with vaulted ceiling and exposed timbers, feature radiator, part panelled wall and door to the en-suite cloakroom, which comprises a close coupled WC and pedestal handwash basin. Bedroom two is a further double bedroom with a window to the rear, column radiator, exposed beam studwork and built-in wardrobe. The dressing room has a window to the rear, exposed beam studwork and exposed floorboards. Formerly used as a good size single bedroom it now houses a hanging rail and shelving. A final door from the landing provides access to the shower room which comprises a built-in double shower tray with mains fed deluge shower over and handheld attachment, close coupled WC, pedestal handwash basin, extractor fan, exposed floorboards, chrome heated towel radiator and recessed lighting.

Outside

The property is approached from the highway via a large gravelled driveway providing off-road parking for several vehicles. Here there is also a timber framed double garage with double opening doors to front, window to side and power and light connected. There is a further timber shed with carport connected, again with power and light connected, as well as a potting shed, also with light and power. A gate provides access to the rear garden. This is mainly laid to lawn with strategically placed and well stocked flower and shrub beds, a few raised vegetable beds and paved terraces. There are outstanding views from the garden over neighbouring farmland.

Within the garden there is a large paved terrace and a landscaped area in front of the red brick Studio. The studio itself also has red brick elevations under a slate roof and is partially timber clad to the rear. It is currently used as an entertaining dining room and snug with vaulted ceiling, exposed timbers, a woodburning stove, kitchenette and cloakroom. There are windows to the front and rear and laminate style flooring. The kitchenette area has an obscure window, a basic range of units with butler sink with mixed tap over, tiled splashbacks and Triton water heater.
