Location

The property is set along Street Farm Road in the centre of the popular market town of Saxmundham. The town offers a good selection of local shops, supermarkets (including Waitrose and Tesco), public houses and restaurants. There is also a medical centre and a railway station with daily trains via Ipswich through to London's Liverpool Street.

Within 3 miles of Saxmundham is Snape Maltings. As well as being home to Aldeburgh Music and the internationally renowned concert hall, hosting a wide range of concerts and festivals throughout the year, it also benefits from a number of bespoke retail outlets, including a well regarded food hall and interiors store, boutiques, antique centre, gallery, cafes and a pub, the Plough & Sail. Snape Maltings also hosts regular Farmers' Markets.

Suffolk's Heritage Coast, with the popular resorts of Southwold, Walberswick, Dunwich, Aldeburgh and Thorpeness, is within about 5 miles. The historic market town of Framlingham lies about 7 miles to the west where there are schools in both the state and private sector, along with further shopping facilities. The county town of Ipswich, with direct rail links to Norwich to the north and London to the south, is approximately 21 miles to the south-west.

Description

Delap House is believed to originally date from the 1950s, but has recently undergone an extensive programme of renovation and refurbishment to create a spacious, light and energy efficient three bedroom detached house with off-road parking within walking distance of all the facilities Saxmundham has to offer.

In all, the accommodation extends to over 1,000 sq ft (96.7 sqm) and comprises an entrance lobby, sitting room, dining room, kitchen and cloakroom on the ground floor. On the first floor there is a landing, two generous double bedrooms, a single bedroom and a well fitted bathroom.

Outside there is a shingled driveway for the parking of two vehicles with EV charging point, together with hard landscaped paved areas to the front. At the rear is a fully enclosed garden, that has been turfed for ease of maintenance.

Being a newly refurbished house it is energy efficient with an EPC rating of C. This was achieved by adding external insulation to the exterior of the property and roof space, as well as installing an energy efficient combination gas boiler that serves the central heating and hot water systems. Fibre cabling has also been installed for high speed broadband connection.

Delap House, Saxmundham
