Location

The property is situated in the small Suffolk village of Syleham, two miles from the historic village of Hoxne which is one of the oldest settlements in the world. Hoxne has a popular pub, The Swan. The market towns of Eye, Harleston and Diss cater for most everyday needs and include local and national chains of shops, hostelrys and regional commercial operations. The historic and highly popular market town of Framlingham lies approximately 14 miles to the south and boasts a range of recreational, retail and educational facilities including a number of popular public houses, restaurants, Framlingham Castle, and regular markets. Diss station provides direct commuter services to London Liverpool Street, whilst the national road network can be accessed via the A140 and A12, providing links to London and Cambridge via the A14. Norwich Airport lies just 30 miles to the north for domestic and international flights.

Description

Cross Barn is a detached barn conversion that offers period features such as exposed beams. It has the advantage of not being Listed. In recent years, it has undergone a significant refurbishment programme, including a new kitchen, bathroom, roof, boiler, windows, underfloor heating in the sitting room along with new radiators throughout. It now offers stylish and well laid out accommodation throughout.

From the courtyard, a porch leads to a door that opens to the hallway. Stairs rise to the first floor landing and there are doors off to the kitchen, ground floor bedroom, and also a cloakroom. The kitchen has exposed timbers and a window overlooking the rear patio and garden. It is fitted with a stylish range of modern high and low-level wall units and there is a four oven electric Aga. A door leads into a secondary kitchen that also acts as a utility room. This has high and low-level wall units and a window overlooking the courtyard. There is a butler sink along with an integrated fridge and space and plumbing for a washing machine and dishwasher. From here, there is a door to the dual aspect dining room that has French doors opening out to the courtyard and windows with fine views over a neighbouring meadow. It has brick flooring in a herringbone style. A door leads to the sitting room. This fabulous vaulted room has a feature wood burner that hangs from the ceiling joists. There is a contemporary bar and fitted bookshelves. French doors open to the patio and windows overlook the adjacent meadow. A door opens to a further reception room that has been used as a gym and has fitted mirrors, a vaulted ceiling, skylights and French doors to the courtyard.

From the hallway is also access to the principal ground floor bedroom. Historically a reception room, this has exposed timbers and is dual aspect with a window to the courtyard and the garden. There are sliding doors to the rear patio. It has a brick fireplace and a feature roll top bath. Also on the ground floor is a cloakroom with WC and handwash basin.

The first floor landing has a window with views over the rear garden and fields beyond. There is a cupboard with large hot water cylinder. Doors lead off to four bedrooms and the family shower room. Bedroom two is a good size double with exposed timbers and a window to the rear of the property. There are built-in wardrobes and a door to an en-suite that comprises a shower, WC, handwash basin, towel radiator and window. Bedroom three is a single and is being used as a study and has a window to the front. The fourth bedroom is double with a window to the front of the property and a built-in wardrobe. The fifth bedroom is a double or large single with exposed timbers, built-in wardrobe and a window with views over the rear garden. In addition is a family shower room which comprises a shower, WC, handwash basin, fitted cupboards, towel radiator and a window to the rear.

Outside the property is approached via remote controlled electric gates that opens onto the gravel driveway. The garage is of brick and block construction under a pitch tiled roof. It has space for two vehicles and has power and light connected. Connected to the garage is a home office with French doors. This has power and light connected and benefits from an electric radiator. Adjacent is a covered storage area.

Approaching the front of the property from the driveway, there is a brick paved pathway leading to a hard landscaped courtyard garden with a raised flowerbed and borders.

The rear garden has been beautifully landscaped with a large area of lawn surrounded by patio. A paved pathway leads to various areas of gravel with landscaped borders. It benefits from views of the surrounding fields and has outside lighting.
