Location

Otter's Holt will be found off Little London Hill, and only a short distance to the north of the centre of the popular village of Debenham. Debenham itself is a picturesque and historic village which benefits from excellent local amenities including a small supermarket, hardware store, newsagents, tea shop, doctor's surgery, butchers, post office, greengrocers, veterinary practice, public house and leisure centre. It is also served by well regarded schools, Sir Robert Hitcham CEVAP Primary School and Debenham High School. The historic market town of Framlingham, with its medieval castle, lies approximately 7½ miles to the east, and offers further excellent schooling in both the state and private sectors. The County town of Ipswich (14 miles) and Stowmarket (10 miles) both offer more extensive facilities including mainline railway stations with regular services to London's Liverpool Street Station scheduled to take approximately 65 minutes and 85 minutes respectively. The Suffolk heritage Coast, with towns such as Aldeburgh, is approximately 24 miles. The A14 trunk road provides access in a westerly direction towards Bury St Edmunds, Cambridge and the Midlands. Norwich is approximately 25 miles to the north as the crow flies.

Description

Otter's Holt is a an exclusive new development of just eight houses that has been constructed by the well regarded local developer, New Homes (Suffolk) Ltd. Plot 8 is build complete and ready to move into. The external finish is in the traditional Suffolk vernacular, yet incorporating a contemporary feel with a combination of brick and weatherboarded elevations under a pitched slate roof.

Plot 8 will be extremely energy efficient with an air source heat pump serving the central heating - underfloor heating on the ground floor, radiators on the first floor and under tile heating in the wet areas - and hot water systems supplemented by a Photovoltaic panel array. The property is fitted with UPVC windows in casement and sash styles. Internally, Plot 8 has been finished to an extremely high standard with high quality kitchen, installed by a local company, Debenvale, who specialise in the design, manufacture and installation of bespoke kitchens that are finished to an exceptional level of quality, together with branded appliances. The bathroom and shower room are also fitted with high quality branded sanitary ware. The floors serving the kitchens, bathrooms and en-suites are tiled, and the remainder of the property is to be carpeted. The garden includes paved pathways and patios to the front and rear, together with turfed gardens and shingled drives.

The property will be sold with a 10 year structural warranty and an alarm system.
