Location

Springfield will be found along Manor Road, forming part of the parish of Hasketon but on the northern edge of the market town of Woodbridge. Hasketon is a very popular village, which lies a short walking distance from the market town of Woodbridge on the banks of the River Deben. Woodbridge has an extensive range of shops, restaurants, public houses and recreational facilities along with an excellent Marina. There is also a good choice of schooling in both the private and state sectors. The Abbey Preparatory School and Woodbridge School are both located in the town, and Hasketon falls within the catchment area of the renowned Farlingaye High School. The Heritage Coast lies within about 13 miles with popular centres such as Orford, Aldeburgh, Thorpeness, Walberswick and Southwold.

Description

Springfield is a wonderfully spacious, five double bedroom family home which is located on the northern outskirts of Woodbridge, but within walking distance of the excellent local schools and all the town has to offer.

The original core of Springfield possibly dates from the early 20th century, but over the years it has been remodelled and added to, principally during the 1990s, creating accommodation of over 2,600 sq ft, which has been well maintained by the current owners. The accommodation comprises an impressive entrance hall for receiving guests and this links wonderfully well with the 28' open plan kitchen/breakfast room, that overlooks the south facing rear garden. From this room there is direct access to the drawing room, which offers a more formal reception area with the benefit of a wood burning stove, as well as the dining room. In addition there is a well appointment ground floor wet room and an extremely useful utility/boot room.

On the first floor there is the principal bedroom suite, which has a charming balcony area overlooking the swimming pool and gardens, range of fitted wardrobe cupboards and en-suite bathroom offering. In addition, there are four further double bedrooms and a family shower room.

Springfield enjoys a plot of almost a third of an acre, with a generous gravelled parking area to the front of the property with space for several vehicles. The rear, south facing landscaped garden enjoys the sun throughout the day and comprises a large patio area that can be access from the sitting room and kitchen/breakfast room, and beyond this is the landscaped garden. There is also the swimming pool which is a delightful addition and which is positioned to enjoy the sun during the second half of the day and into the evening. The pool area is surrounded by Indian sandstone paving and enclosed in low level fencing for safety purposes.
