Location

29 Parkway is located a short distance from the centre of the popular and well regarded village of Wickham Market. This thriving community offers a range of local businesses, shops including a Co-operative supermarket, restaurants, a health centre, library and primary school. There are regular bus services to Woodbridge and on to Ipswich. The village is also within the Thomas Mills High School catchment area for secondary schooling.

Wickham Market lies about 12 miles to the north-east of the county town of Ipswich and just off the A12, providing dual carriageway driving to Woodbridge (approximately 4 miles), Ipswich, London and the south. There is a railway station at nearby Campsea Ashe with trains to Ipswich and on to London, which take just over the hour. Local tourist attractions, such as Easton Farm Park, Snape Maltings, Framlingham Castle and Sutton Hoo, are all within a 10 mile radius, as is the coast with popular destinations such as Aldeburgh.

Description

29 Parkway is an extended detached bungalow, which has been redecorated and refurbished, as well as being adapted for wheelchair accessibility internally and externally. The property has well laid out accommodation over a single storey and comprises entrance hall, kitchen/breakfast room, sitting room, three bedrooms and a wet room. Outside, the property has an oversized single garage, a driveway providing off-road parking for several vehicles, a landscaped garden to the front, and an enclosed hard landscaped garden to the rear with rural views across farmland. The garden has been designed with wheelchair accessibility in mind, with a pathway going all the way around the property. Contained within the garden are a summer house, workshop and purpose-built home office/studio. The bungalow benefits from gas-fired central heating and UPVC double-glazing throughout. It also has a large boarded roof space with good lighting, which is useful for storage.

Outside

The property is approached from the highway via a drive that provides off-road parking for several vehicles and leads to an oversized single garage, which has electricity and lighting connected. There are personnel doors to the rear and front of the garage, an up-and-over door to the front, and a window to the rear. To the front of the bungalow is a landscaped open plan garden. The rear garden has been hard landscaped, with ramps and a pathway suitable for wheelchair access. There are two areas of lawn with flower borders, along with a summerhouse. There is a workshop with electricity and lighting connected, as well as an external power socket. Further to this is a purpose-built home office with French doors and window to front (no electricity connected). Outside tap and outside lighting.
