Location

The Old School House will be found in the centre of the well regarded and accessible village of Parham, between Framlingham and Wickham Market. Framlingham is perhaps best known for its historic castle and highly regarded public school, Framlingham College. The town offers a good selection of independent shops and businesses including cafés, restaurants, hairdressers, antique shops, a travel agency and delicatessen. It is also home to the Crown Hotel and a Co-operative supermarket. Off the Market Hill are a number of other businesses providing day-to-day services including pubs, vets, a medical centre, Sir Robert Hitcham's Primary School and Thomas Mills High School. The Heritage Coast is just a short drive away and offers picturesque beaches, sailing facilities, stunning forest walks, cycle rides and popular public houses. The world famous Snape Maltings Concert Hall is within easy reach (8½ miles), and there is also bird watching at the RSPB centre at Minmere (15½ miles). For the commuter, Parham offers good road links via the A12. There is also a nearby railway station located at Campsea Ashe, near Wickham Market, with regular trains to London Liverpool Street via Ipswich.

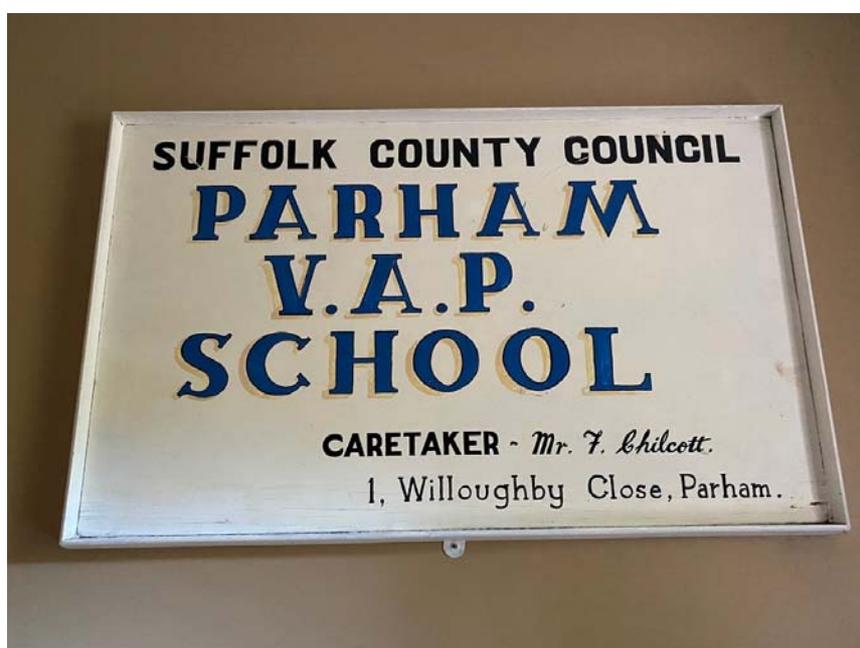

Description

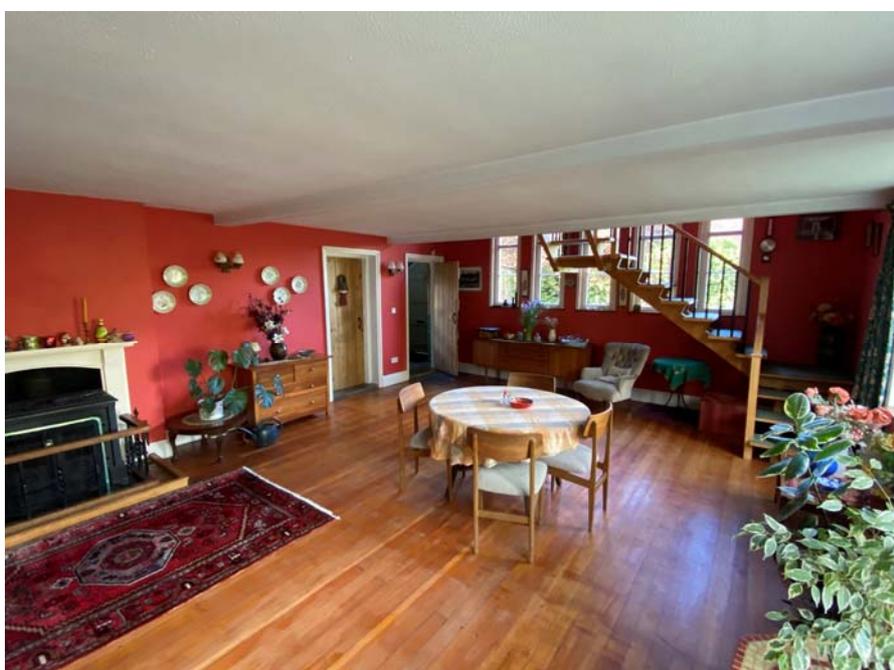

As the name suggests, The Old School originally served as the primary school for the village before it was closed in the 1980s. Being of the Victorian era. The Old School still possesses some wonderful original features including the detailed facing brick work, large windows providing plenty of light throughout the ground floor and a wonderful, open plan and multifunctional reception room, that we understand originally served as the classroom.

The Old School is attached to the original Teacher's House, which is a separate independent dwelling, and whilst the accommodation within the school house is serviceable, the property does now warrant a program of renovation and refurbishment throughout.

The Old School offers a very good amount of accommodation, extending to nearly 2,200 sq ft (200 sqm) in all comprising an entrance hall, impressive, open plan multifunctional reception room, kitchen/breakfast room and boot/utility room with WC on the ground floor. On the first floor there are five bedrooms; a principal bedroom with ensuite shower room, a guest bedroom with ensuite shower room, a further double bedroom, two single bedrooms (one of which is currently used as a study) and a bathroom.

Outside there is a generous tarmac driveway. There is also an area of garden to the front of the property, overlooking the village street, as well as a south-westerly facing courtyard at the rear that acts as a delightful sun trap.

Viewing Strictly by appointment with the agent.

Services Mains water and electricity. Newly installed private treatment plant for drainage. Oil fired boiler serving the hot water and central heating systems.
