## Location

The property will be found in the very centre of Framlingham, in Well Close Square, in a tucked away location, but within walking distance of all the town has to offer, including its medieval castle. There are a good selection of independent shops and businesses including cafés, restaurants, hairdressers, antique shops, a travel agency, doctors surgery, vets and delicatessen. It is also home to the Crown Hotel, a Co-operative supermarket, Robert Hitcham's CEVA Primary School, Thomas Mills High School and Framlingham College. Framlingham is perhaps best known for its magnificent castle which is managed by English Heritage. Framlingham is surrounded by delightful villages, many of which have popular public houses.

There are lovely walks from Framlingham into the surrounding countryside and amenities such as golf in the nearby locations such as Cretingham (6 miles), Woodbridge (12 miles) and Aldeburgh (13 miles). The world famous Snape Maltings Concert Hall is within easy reach (10½ miles). There is also bird watching at the RSPB centre at Minsmere (15 miles). Framlingham is only 12 miles from the coast as the crow flies with the popular destinations of Southwold, Dunwich, Thorpeness and Orford. The county town of Ipswich lies approximately 18 miles to the south-west and from here there are regular services to London's Liverpool Street Station, scheduled to take just over the hour.

## Description

11 Well Close Square will be found in a tucked away location, just a short walk from the centre of Framlingham and all it has to offer. This period property is of brick and timber frame construction, with a later addition to the front creating a larger entrance area and ground floor bedroom, all set beneath pitched pantile roofs.

The accommodation extends to over 1,100 sq ft in all and comprises an entrance hall, open plan kitchen and dining room, study/bedroom and bedroom with en-suite bathroom on the ground floor. The kitchen is fitted with a range of cupboard and drawer units with wood effect worksurface over incorporating a stainless steel sink with mixer tap and drainer. There is a four ring gas hob with light and extractor hood over and double oven and grill under. There is a recess and plumbing for washing machine and undercounter recesses for fridge and freezer. The wall mounted Worcester boiler serving the central heating and hot water system is also located in the kitchen.

A staircase from the dining area rises to a first floor open plan sitting room with vaulted ceiling and exposed roof truss elements with door to the second double bedroom, again with en-suite bathroom.

On the whole the property seems to have been maintained reasonably well over the years and benefits from UPVC double glazing. However, an incoming purchaser may wish to update and modernise the kitchen and en-suite facilities.

Being a town centre property, 11 Well Close Square has the huge advantage of off-road parking for two to three vehicles, together with its own garage. The property is set back from Well Close Square, and approached via electrically operated side hung wooden gates, together with a personnel gate to the side. These open onto a shingle and concrete driveway that is sufficiently large enough to park two to three vehicles. Beside the driveway is the garage, approximately 5.4m x 2.65m narrowing to 2.2m, with side hung double doors to the front and personnel door to the rear. The building is of timber frame and clad construction under a flat felt roof and has power and light connected.
