Location

1 Hall Hills is located close to the centre of Diss. The historic market town is situated on the South Norfolk borders. The town offers an excellent range of social, shopping and leisure facilities including an 18 hole golf course. Additionally there is schooling to sixth form level at the well regarded Diss High School. Norwich, Ipswich and Bury St Edmunds are all within easy reach by car or train (via Diss railway station on the London Liverpool Street line) and the beautiful Heritage Coast is some 45 minutes drive away.

Description

1 Hall Hills is a detached house of predominately brick construction with part-tile clad elevations under a tiled roof. It is believed to date from the late 1960s or early 1970s. It offers spacious accommodation over two floors and benefits from UPVC double glazed windows throughout. An incoming purchaser is likely to wish to carry out a general modernisation programme.

A door leads to a UPVC porch which has a door leading to the hallway. From here, stairs rise to the first floor landing and doors lead off to the reception rooms. In addition is a cloak cupboard. There is a downstairs shower room with WC, handwash basin and shower unit. The kitchen is fitted with high and low-level wall units and contains a double electric oven and space and plumbing for a dishwasher and microwave. A window overlooks the front garden. Adjacent to this is a utility room with space and plumbing for a washing machine and tumble dryer. From here, there is access to the rear hallway which has built-in cupboards, a UPVC stable style door to the exterior and a door to the large garage. Also on the ground floor is a dining room and a dual aspect sitting room with stone fireplace. This leads to a UPVC conservatory which overlooks the garden.

The first floor landing has a large window overlooking the front garden, an airing cupboard, store cupboard and doors to the four bedrooms and bathroom. Each of the bedrooms can be used as a double. In addition, there is a bathroom comprising a bath, WC and handwash basin.

The Outside

From Hall Hills, there is access to off-road parking and also the garage which has an electric roller shutter door. This measures a minimum of 16'11 x 14'6. Adjacent to the parking area is an area of lawn and mature tree. The garden to the south of the house has a patio and lawn and is fully enclosed by shrubs and a high-level brick wall.
