Description

18 Mill Hoo is a three bedroom semi-detached former local authority house now in need of renovation and refurbishment. Built in 1945 of non-standard 'Airey Construction' the accommodation is well laid out. There is a good size entrance hall with a door off to the sitting room which has a window to the front. From here there is a concertina door to the dining room, also with a window to the front and a built-in cupboard. From the entrance hall there is a further door to the kitchen, which has a range of fitted wall and base units with a stainless steel single drainer sink unit with taps over, tiled splash backs and roll top work surfaces. There is space for an electric cooker and appliances. There is also a window to the rear and a door to the garden. From the entrance hall stairs rise to the first floor landing with a window to the rear and access to the loft. There is a door off to bedroom one, with a window to the front and a built-in wardrobe with a cupboard above. Bedroom two has a window to the front and a built-in Airing Cupboard with a pressurised water cylinder. Bedroom three has a window to the rear and a built-in wardrobe with a hanging rail and shelves below.

The property benefits from double glazing and central heating throughout provided via an Air Source Heat Pump to strategically placed radiators throughout the property.

Outside

The property is approached via a driveway to the front which provides off-road parking for two to three vehicles with a lawned garden to the side, enclosed by hedging. There is a gated access to the side of the property which leads to the rear garden. This is a good size and is mainly laid to lawn, abutting fields to the rear. The garden is enclosed by hedging and panel fencing. Within the garden there is a brick outbuilding to the rear of the property with two individual stores and an open fronted, covered storage area.
