Location

11 Whinlands is situated in the centre of the village of Knodishall, about 3 miles from the coastal town of Aldeburgh. The village itself has a shop, garage, public house and a primary school. Secondary schooling is available in Leiston. There are further facilities in Saxmundham approximately 5 miles away, including supermarkets, as well as rail services to Ipswich and some direct trains through to London's Liverpool Street station. The Heritage Coast is within 2 miles with the popular coastal resorts of Thorpeness and Aldeburgh, and also Southwold a short distance up the coast. The County Town of Ipswich lies about 20 miles to the south-west.

Description

11 Whinlands is a two bedroom, semi-detached, former local authority bungalow built in circa 1945 of non-standard 'Unity Construction'. The accommodation is well laid out, but is now in need of refurbishment and redecoration. The property benefits from double glazing and gas fired central heating via strategically placed radiators throughout the property.

The front door opens into the sitting room which has a window to the front and a door off to the kitchen. The kitchen is fitted with a matching range of fitted wall and base units with a stainless steel single drainer sink unit with taps over and tiled splashbacks to roll top work surfaces. There is space for a electric cooker and appliances. There is also a wall mounted gas fired boiler and a built-in cupboard with slatted shelving. The kitchen has a window to the rear and a part-glazed door to the garden. An opening from the sitting room leads to an inner hall with a built-in cupboard with shelving and doors leading off to the bedrooms. Bedroom one is a double bedroom with a window to the front. Bedroom two is a single bedroom with a window to the rear. There is a wet room with an obscure glazed window to the rear, low level WC, electric shower and a wall hung basin.

Outside

The front of the property is approached via a driveway which provides off-road parking for two to three vehicles. There is a pathway to the front of the property and a gated access to the side. The garden to the front is partially hard landscaped and is enclosed by panel fencing and hedging. The rear garden is mainly laid to lawn, together with a paved terrace immediately behind the property. There is also an area that has been enclosed by a picket fence with further garden and hardstanding to the rear. There is a brick outbuilding/store and a large timber shed. The rear garden is enclosed by panel fencing and is not overlooked. There is an outside tap.

These Particulars do not constitute a contract or part of a contract. All measurements quoted are approximate. The Fixtures, Fittings & Appliances have not been tested and therefore no guarantee can be given that they are in working order. Photographs are reproduced for general information and it cannot be inferred that any item shown is included. 2. The Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 require all Estate Agents to obtain sellers' and buyers' identity.
3. In the unlikely situation of our client considering an offer prior to auction, a premium price would have to be put forward and the purchaser would be required to sign the contract and put down a 10% deposit and pay the Buyers Administration Charge, well in advance of the auction date. An offer will not be considered unless a potential buyer has read the legal pack and is in a position to immediately sign the contract. The seller is under no obligation to accept such an offer. It should be noted that Clarke and Simpson cannot keep all interested parties updated and at times will be instructed to accept an offer and exchange contracts without going back to any other parties first.
4. Additional fees: Buyers Administration Charge - £900 including VAT (see Buying Guide). Disbursements - please see the Legal Pack for any disbursements listed that may become payable by the purchaser upon completion.
5. The guide price is an indication of the sellers minimum expectations. This is not necessarily the figure that the property will sell for and may change at any time prior to the auction. The property will be offered subject to a reserve (a figure below which the auctioneer cannot sell the property during the auction) which we will expect to be set within the guide range of no more than 10% above a single figure guide.
6. Please note that the property is of 'Unity Construction' which is deemed to be non-standard and those purchasers needing finance are encouraged to find out whether their lender will lend on this type of construction prior to auction.
