Off the kitchen is a convenient utility room, and a WC rounds out the ground floor. Upstairs are the four bedrooms, with the primary and secondary rooms having built-in wardrobes and the primary having an en suite. Both the family bathroom and en suite have been recently updated and are finished to a high standard. The entire interior has been redecorated, flooring has been replaced and a new boiler was installed in 2021. To top it all off, the loft is part boarded.
