The Property

This recently refurbished first floor apartment sits neatly between two other apartments in an attractive converted Grade II listed building within a short walk to Tavistock Town Centre. The apartment benefits from lots of natural light and a spacious feel due to the large sash bay windows and high ceilings in all of the main rooms. The kitchen has been fully replaced with modern fixtures including an integrated fridge/freezer, oven, hob and extractor hood, whilst still leaving space for a small table and chairs. The living room has character alcoves and a feature fireplace, and the shower room has been fully modernised with a new suite, and double shower unit. Both the bedrooms are doubles with built in storage in one. The apartment also benefits from ownership of a large private storage room in the basement and use of the communal space.

Location

Situated a short walk to the centre of the historic market town of Tavistock, on the banks of the River Tavy and the western fringe of Dartmoor National Park with plenty of country walks. The town offers a variety of amenities including doctors, dentists, shops and a plethora of cafes, bars and restaurants. The nearby cities of Plymouth and Exeter are both easily accessible by car and nearby rail links.
