4 BARE AVENUE

BARE

An impressive four bedroom terraced property, built in the 1900s and in the hands of the current owners since 2008, in which time it has been extended and stylishly modernized. It now presents very well with an improved layout to maximise space and tasteful décor.

The front door leads into a bright entrance vestibule which benefits from original tiled floor. Through into the cosy sitting room with a living flame gas fire with decorative hearth and surround. An inner hall leads into the inviting and sociable dining room which has an original period fireplace fitted with a wood burning stove. The extended kitchen was refitted in 2021 with an attractive range of units in a matt graphite finish with integral Lamona appliances for a streamlined look. The kitchen provides access out to the garden through uPVC double glazed French doors. Off the first floor landing are two double bedrooms and the family shower room (installed in 2021/2022). Rising to the second floor, the main bedroom enables you to wake up to views over Morecambe Bay, has plenty of space for storage and a fully tiled ensuite shower room. On this floor is a fourth double bedroom, which enjoys spectacular views of Williamson Park. There is a cellar for storage.

The outside space is unexpectedly spacious given the fact the property is in the heart of Bare. Externally there is a good-sized rear garden; the wooden decking and Indian sandstone paved area granting an ideal space for a seating with the added bonus of the substantial lawn making No.4 the ideal home for a growing family.
