APARTMENT 6, RIVER VIEW

HIGH STREET

Located in the heart of the historical Fairtrade town of Garstang is River View. Built in 1913, the façade of the former Garstang Town Council offices has been carefully re-built and incorporated into this new build apartment scheme blending the old and new. Apartment 6 is in the southwest of the building with a sunny aspect looking over the beautiful Memorial Gardens.

Being on the High Street you are within walking distance of some fabulous restaurants, shops and other amenities. This one bedroom, first floor apartment is ready to move into and has been finished to a high standard throughout and has the benefit of gas fired central heating and PVC double glazing. There is luxury vinyl flooring in the hall, kitchen and dining area and bathroom with carpets elsewhere. With open plan living kitchen, large double bedroom, study/dressing room and bathroom it is ideal for anyone who is downsizing and is seeking a property that is easier to run and maintain with the added bonus of being central for local facilities; it will equally well appeal to first time buyers or investors as residential letting is permitted under the lease as, with permission, is holiday rental.

The newly built apartment building has a lift to all floors, spacious communal areas, secure entry for residents and guests with CCTV monitoring of the building and parking areas. No. 6 has the benefit of a single designated parking space.

Garstang is a popular town with three supermarkets (Booths, Sainsburys and Aldi), a great range of independent shops, a choice of cafes, restaurants and bars, a popular weekly Thursday market and several regular community events throughout the year including the well visited Garstang Victorian Christmas Market. It has everything for those who wish to live without a car and has regular public transport links with buses to Lancaster, Preston and Blackpool throughout the day. The glorious unspoiled countryside of the Forest of Bowland AONB is readily accessible and the towns of Lancaster and Preston are 11.2 miles and 10.2 miles distant respectively.
