Nestled in a prime location with Victoria Gardens directly opposite, this exquisite extended semi-detached period property offers a perfect blend of character and modern living. The ground floor presents a welcoming layout beginning with a charming living room featuring a stunning feature fireplace and a beautiful bay window that floods the space with natural light. A second reception room provides a cosy alternative, complete with a log burner – ideal for those crisp evenings. The elegant dining room, enhanced by delightful skylights, creates a bright and airy space perfect for family meals and entertaining. The stylish kitchen is a true highlight, with a contemporary island that provides both practical workspace and a social hub for the home. A convenient downstairs shower room adds practical functionality to the ground floor accommodation.
