

20 Sycamore Road,

Guide Price £290,000

3 1 2

The ground floor welcomes you into a bright entrance hallway, leading to the spacious living room which is filled with natural light and flows into the conservatory, extending the living space and offering a fabulous dining area. The stylish kitchen has been thoughtfully designed with modern units and integrated appliances, providing an ideal space for everyday cooking. A convenient downstairs WC completes the ground floor. Upstairs, you'll find three well-proportioned bedrooms, with the primary benefitting from ample built-in storage and a modern family bathroom. Outside, the property benefits from an enviable wraparound garden, mainly laid to lawn with a raised decked area - perfect for alfresco dining. To the front, a driveway provides off-road parking and leads to a single garage.
